

SCCS PLAY Student Card

Social Circle City Schools are partnering with the **Azalea Regional Library System** to provide all students with free access to online resources and library materials with the **PLAY Student Card!** Student ID numbers act as a library card number for your local member library!

- Students use their student number just like a regular PINES library card.
- PLAY accounts give SCCS students free access to library resources and services and to over 11 million items via the PINES lending network. Access online resources anytime from anywhere including e-Books and e-Audio via OverDrive, Libby App, GALILEO databases, and more.
- Search the PINES Catalog to borrow books & resources from the library including audiobooks, CDs, and DVDs.
- Connect to Tutor.com for one-to-one tutoring and homework help, learning tools, college prep, and career coaching and readiness for adults.
- Access all the e-resources GALILEO (<https://www.galileo.usg.edu>) has to offer. (NOTE: The GALILEO password changes a few times a year.) Contact your local member Library for assistance if you are unable to retrieve the GALILEO password successfully.
- Visit the W. H. Stanton Memorial Library or any Walton County Library to check out five (5) physical items, use library computers, and free wireless internet. There are no overdue fines associated with the PLAY card. However, students will not be able to check out additional materials until items are returned.
